1 Party

1.1 Alaric Stormborn

He was sent by his clergy/order to join the expedition in order to investigate the natural order.

He once said "generosity is greatly rewarded", after he paid a LOT more for breakfast at the *Strumming Salmon*.

1.2 Nassalya Caeli

She joined the expedition because the stars in the sky are different from before.

1.3 ΛΣΘΠ (Aeon Sahd)

When asked why he joined the expedition he lied that there was no reason, it is assumed that the reason was a personal thing.

He showed interest in *The Depths*, however claimed he knew nothing.

He is full of shit (IDK what the context was).

He found a book (diary).

When *Aleric* was exploring the ship he found that ΛΣΘΠ has green blood.

1.4 Leander Pembroke

His purpose to join the expedition is to investigate new cultures.

1.5 Koshann Dremredol

He explained that he joined the expedition in order to find his father.

2.1.3 *Ersyl's*' museum

The museum owned by *Ersyl Ursyla Syllas*. It is located 2-3min of walking after turning right after exiting the *Strumming Salmon*.

The museum's caretaker is *Cetus*.

2.2 The Depths

This place seems to be the oceanic version of the Underdark. However not much more is known.

2.3 Sea Ghaul Island

One of the new islands that appeared after *The Cataclism*. People have been known to disappear on this island.

2.3.1 Ghaul

This is the only city on the island.

According to *Morna* there is a lot of trouble in the city so it is in general safer to sleep outside.

2.3.2 Pub Nymph

A pub located on *Sea Ghaul Island*. It is also a place where you can hear a lot of stories.

2.3.3 Port of Sea Ghaul island

This is the only port on the island. It's large, dirty and cutthroaty.

3 Events

3.1 Invitation flyers

There were invitation flyers inviting adventurers to Boulder's Wall. Not much information was given on the actual flyer, only that they should meet at the museum. The flyer was signed by a *Ersyl Ursyla Syllas*.

The actual location of the museum was omitted.

3.2 The Cataclism

This was an event that happened in the sea next to The Sword Coast. The event changed the layout of the sea entirely, removing old and familiar islands and waters with new ones.

Gohl witnessed the event first hand and described it vividly.

3.3 Ghost Story

Morgu was outside of the Pub called *Nymph* on Sea Ghaul Island he had left after being with a friend, and turned left on the port at around 00:30. A ship came out of nowhere, rune markings on the side, black hull, no sails or sailors, that he noticed. He did notice that the light of the lighthouse was passing through the ship.

4 Objects

4.1 Gullsinger

This a ships belonging to pirates, who were hired by *Ersyl Ursyla Sylas* for the expedition. It is sometimes refered to as *Lady Reverance*.

The head of the ship is an aquatic women with a harp for a lower body.

5 Organisations

5.1 Pirates of the Gullsinger

They are pirates sailing with the *Gullsinger*. All the crew members are bards.

6 NPC's

6.1 Ersyl Ursyla Sylas

She is the owner of a museum in *Baulder's Wall* and the person who wrote the invitation flyers to explore the new islands left behind by *The Cataclism*. She is a curvy khalishtar with glasses and a long skirt.

6.2 Cetus

He is the caretaker of *Ersyl's* museum and her brother. He is a goliath with braided hair, stuble (frashley shaven beard) and yellow eyes.

6.3 Algar Dormund

He is a dwarf and the owner of *Strumming Salmon* and is married to *Marga Dormund* who works allong side him at the inn.

He said that *Ersyl* wants to explore the new islands left behind by *The Cataclism* in order to find artifacts for her

museum and find out the reason for *The Cataclism*.

He seemed to get nervous at the mear mention of the *Lady Reverance*.

6.4 Marga Dormund

She is a Half-orc who works at the *Strumming Salmon* and is married to the inns owner *Algar Dormund*.

6.5 Styg Kasti

She is a tabaxi that works at the *Strumming Salmon* as a server. She appears to have no special relationship with the owner.

6.6 Kalma

She is a young halfling working at a bakery in Baulder's Wall.

6.7 Munda

She is a halfling working at a bakery in Baulder's Wall and the mother of *Corvi*.

6.8 Corvi

She is a halfling working at a bakery in Baulder's Wall and the son of *Munda*.

6.9 Doll & Shea

They are half-elves that were found drinking in the *Strumming Salmon*. They were questioning *Ersyl's* motives for the expeditions and recruiting adventurers for it.

They were also shook by the mere mention of *The Cataclism*.

6.10 Gohl

He is an old human, about 5'7" in height. He has a beard and a scar going over his mouth.

He claims to have witnessed the *The Cataclism* first hand. The following is how he saw it unfold: First there was strong rumbling, which was followed by strong waves at the sea. Then he saw a bright light, followed by an explosion which brought with it darkness. After the explosion all the islands disappeared along with the water. The void of water was soon filled by new water. This whole ordeal only lasted a few moments.

6.11 Morgu

He drinks a lot.

6.12 Saltata

She is a big and pretty yuan-ti, who works as a chef aboard the *Gullsinger*. She is hard to speak to and moves very silently.

Tha party first encountered her on the docks, before leaving *Boulder's Wall* for the first time and meeting the crew of the *Gullsinger*. She was ornately dressed.

6.13 Garm

He is a tall bald grey skinned goliath with piercing silver eyes and a braid. He is *Cetus's* brother, tho they don't get along. He is also the captain of the *Gullsinger*.

While he is not patient, he is understanding.

When asked about the existance of ghost ships in regards to the *Ghost Story*, he said he has seen many interesting things, a lot of krakens in the

water. Even so, ghost ships to him sounded stupid.

He said that most dragons he encountered were chromatic and only met one metallic dragon, which was female of what he could tell.

He challanged *Koshann* to an arm wresteling competition, as he was him as a very strong person because of his performance during the battle that took place earlier that day. After some encouragement, *Koshann* accepted and even won. He mentioned that *Note* was interested in meeting him as he never saw a dragonborn. After that he went and challanged *Garth* to a arm wresteling competition.

6.14 Ollec

He is the first mate on board of the *Gullsinger*. *Gram* mentioned that his strength was more on the elegant side, which bothered him because he likes to arm wrestel him.

6.15 Clarie

She is a 5'3" sea elf, who is the *Gullsingers* navigator. She likes to bully *Garm* and described the chef to be exotic.

She did explain that the stars didn't change, their alignment did.

6.16 Parhy

He is a Satyr who works as an entertainer on the *Gullsinger*.

6.17 Reed

He is a gnome, who works as a doctor on the *Gullsinger*. In the infirmary, there is a holy symbol, which belongs to *Milil*.

6.18 Milil

She is a lesser god.

6.19 Note

He is a kenku, who works as a lookout on the *Gullsinger*. While his left eye is normal, his right eye is that of a cat.

He likes talking to people, even if they have a hard time understanding him and is best friends with *Parhy*.

The way he shoots his bow is quite unique as he has no fingers to speak of. What he does is fly up and shoot the bow with his talons (feet).

6.20 Garth & Trea

Garth is a human, while Trea is an orc. They are married and seemed like they were in a vacation mood on the *Gullsinger*.

He had a long sword on his hip and a straw hat on his head.

They were on the *Gullsinger* because they are looking for their son, Baoum (yes, that Baoum). They did

mention that they are originally from a different world.

6.21 Stell

She had a deal with Cetus to help us upon arriving at the port on Sea Ghaul island.

6.22 Morna Izvich

She is a half-elf who works as a secretery for the *mayor* of *Ghaul* as well as being *his* sister.

She thinks that her *brother* is stupid, as he said that there is nothing on the island, even tho most of it is unexplored.

6.23 Kole Izvich

He is a human who is the mayor of *Ghaul* and claims that the entire *island* is his.

He expressed his fondness for *Nymph song* because "you can drink and fuck". Apperantly the women are pretty, but he disagrees.
